Scotch Plains, New Jersey

I was an automotive technician for a few years but concluded it was not where I wanted to be. I found a passion for computing and programming and began my education in computer science. I now have a solid foundation in web development using JavaScript, HTML, CSS, and technologies such as MongoDB, Express.js, React.js and Node.js (MERN Stack). I am now looking to begin my career in web development.

SKILLS

Languages and Technologies:

- JavaScript/HTML/CSS
- Git
- MERN Stack
- MongoDB
- MySQL
- Express.js
- React.is
- React Hooks
- Scalable React Components

- Node.js
- Object Relational Mapping (ORM)
- Model-View-Control (MVC)
- Server side and third-party APIs
- AJAX
- Single Page Applications (SPA)
- REST API Development

Other Skills:

- Teamwork
- Open-minded
- Patient
- Fast, dedicated, independent learner
- Adapts quickly to changing circumstances
- Attention to detail

EDUCATION

February 2023 – August 2023

Rutgers Full Stack Web Development Certification

SEPTEMBER 2021 – DECEMBER 2022

NEW JERSEY INSTITUTE OF TECHNOLOGY, NEWARK, NJ

Computer Science major

• Programming Language Concepts: Covered language definition structure, lexical and syntax analysis, data types and structures, control structures and data flow, subprograms, run-time consideration, interpretive languages -- Culminated in writing a pascal-like programming language in C++.

SEPTEMBER 2018 – MAY 2021

ASSOCIATE IN APPLIED SCIENCE, UNION COUNTY COLLEGE, CRANFORD, NJ

Computer Science major - 3.7GPA

• Data Structures: Covered abstract data types, recursion, searching and sorting, algorithmic analysis, strings, arrays, lists, stacks, queues, trees, heaps.
